What's New in the?

Fiew Image Viewer is a program designed to help you easily view files created in a variety of imaging formats. Fiew Image Viewer features quick preview mode, thumbnail view, detailed view, fit to screen, zoom in/out, rotate, and set as wallpaper. You can also set options like background color and size. Fiew Image Viewer can import files from most popular photo viewers and image folders, including Windows Explorer. Fiew Image Viewer is a portable tool that does not need to be installed. Tips The program can be installed on removable devices (such as USB flash drives) and plugged into any PC or laptop to run.On a chilly afternoon in the Park Plaza Plaza Towers apartment complex, The Gibson family of Huntington Beach gathers around a cluster of folding chairs to watch his son, Alex, score one of the game's biggest goals. Alex, 16, is here to help his father, A.C. The junior goalie, who will play collegiately in the fall, stands to his left. Down by his feet is his father, A.C., who is using his left hand to rub his right shoulder and left ankle. A.C. coaches the High Desert Rebels while his wife, Annette, takes care of the family, A.C.'s mother, and two young daughters, Hailey, 3, and Cady, 9. "Our players have a lot of respect for him," says A.C. "We want to be the best we can be, and he has helped us in many ways. He's the reason we're doing what we're doing." Added his wife, Annette: "He's here today because of Alex." A.C. and his family are here because the Gibson family is part of Anaheim's High Desert, a 60-team Premier Development League team that's struggling to stay in the competition. A.C. is a good goalie, but he's getting up there in age, and his ability to handle a bigger workload has been an issue. "I was at their games last night, and he was great," says Ventura County High coach Matt Lindstrom. "He was solid and solid all game." That game was a doubleheader against the South Bay Surf, which was playing for its first PDL championship. A.C. took off his jersey, and showed his support for his son. "When you see your kid doing well, it's great to see," says A.C. "But if he's not doing well, it's a little rough to see." A.C. saw
