The series revolves around character David Garth and his driver/sidekick K.I.T.T, an. The team was made of David Garth (David H.Public awareness about AIDS and condom use in the Balkans and Central Europe. A cross-sectional study was performed in the Balkans and Central Europe to determine the public awareness about AIDS and condom use. Inclusion criteria were: defined sampling domains of the population (each including geographical areas), defined cut-off points for the number of people, at least in the age range 15-49 years, and a sample size as being representative of the population. The sample size was 24,417 for the Balkans and 19,802 for Central Europe, with 20,000 sample points for each sample. The assessment of the sample points took place using a structured questionnaire, and a weighed sample was taken. In total, 22,960 structured interviews were carried out. The percentage of men aware of HIV/AIDS decreased from 52.2 to 50.5% in the sample from the Balkans and from 50.1 to 41.6% in the sample from Central Europe. The
